  - Construction Administration
- **Completed:**  
2014

“ Snyder County hired Stahl Sheaffer Engineering to design and prepare plans and bid specifications for a parapet project on the County courthouse. Ever since then, they have been the “go to” engineering firm for the County. ”

JOE KANTZ, CHAIRMAN, SNYDER COUNTY COMMISSIONERS

# Snyder County Courthouse Rehabilitation

## Snyder County Courthouse, Middleburg, PA

Stahl Sheaffer Engineering provided numerous engineering services for the Snyder County courthouse with an emphasis on rooftop and parapet rehabilitation. Stahl Sheaffer performed an evaluation to determine and prioritize maintenance and renovation needs for the historic structure located in Middleburg, PA. The evaluation assessed the rooftop conditions, masonry façade, windows, exterior wood surfaces, space needs, adjacent structures, parking, exterior lighting, interior lighting, backup generator maintenance, and mechanical system maintenance. The project led to the following maintenance projects that were designed by Stahl Sheaffer:

- Exterior Woodwork Painting
- Metal Roof Repair & Coating
- Conversion of Library
- Security Enhancements
- Energy Efficient Lighting Project
- Roof Replacement
- Masonry Parapet Reconstruction
- Demolition of Adjacent Office Building
- Backup Generator Maintenance
- Parking Lot Paving & Lighting

Stahl Sheaffer also provided design and construction administration for the conversion of the County law library into a new meeting room.
