SR 3016 Roadway Improvement Project

McCracken Roadway, Aleppo & Richhill Townships,
Greene County, PA

Stahl Sheaffer prepared the design and permit plans for roadway widening, asphalt base repairs, asphalt overlays, drainage improvements, and slide repairs as indicated on the approved drawings in the bid package for SR 3016 in Greene County, Aleppo Township and Richhill Township from the West Virginia state line at segment 0010 offset 0000 to SR 3001 Aleppo Road at segment 0070 offset 2979. The project design and permitting was reviewed by PennDOT District 12-0 Permits Office, Design Group, and Geotechnical Group.

Photos demonstrate Stahl Sheaffer's FDR with proctor tests completed for the project at Stahl Sheaffer's Soils & Materials Lab.
