

WV Professional Licensed Surveyor/ Survey Crew Chief – Survey & Reality Capture

Stahl Sheaffer is currently seeking to hire a **Crew Chief** with a West Virginia Professional Surveyors license to join our Survey & Reality Capture Team at either our Morgantown, West Virginia or Canonsburg, PA office location.

Responsibilities:

- Perform, review, check, seal, and/or certify control, boundary, topographic, DOT, construction, and pipeline/natural gas surveys
- Perform GPS network adjustments, survey data reduction/adjustments, plat/map preparation, right of way plan preparation, and construction layout calculations
- Collect survey data as required per industry and client specifications, scopes of work, and work plans
- Perform mathematical calculations and field checking/staking
- Perform tasks and solve problems with a high degree of independence
- Provide overall QA/QC checks of assigned survey tasks completed by other survey staff across the firm and prepare or assist in the preparation of surveying-related documents.
- Complete daily uploading and downloading of data collectors
- Supervise all members of the survey crew
- Coordinate daily with field coordinator, project managers, and other office staff
- Continually learn new techniques and processes as well as operate various types of equipment
- Provide technical assistance for CAD operators, designers, and others on the survey crew
- Coordinate site visits with project team personnel and occasionally work with other disciplines, as needed
- Perform some office duties including data reduction, field note reduction, calculations, data checks, and staking computations using survey computer programs and AutoCAD

Minimum Requirements for the Position:

- 5 years of experience
- Professional surveying license in WV. Additional licenses in PA and/or OH preferred.
- Proficiency with CADD applications
- Strong organizational skills
- Physical mobility in and around construction sites and field assignments including the ability to carry survey equipment and supplies in remote, rugged, rural, or urban surroundings
- The ability to lift and carry 50 pounds and walk long distances
- The ability to stand for long periods of time and/or walk long distances
- The ability to travel and work outside, in all types of weather
- Flexibility to work overtime as needed
- A valid driver's license and daily access to a motor vehicle
- The ability to obtain state and federal background clearances to permit working on-site when necessary

Preferred Qualifications:

- 5 years of experience in surveying, preferably in Boundary Retracement, Energy, or Construction
- Proficiency with Topcon equipment (GPS, Robotics, Total Stations, Levels, and Data Collectors)
- Familiarity with Microsoft Office programs including Word, Excel, and PowerPoint
- Ability to work effectively with other technical professionals
- Ability to write legibly and convey technical information as well as the ability to effectively present information
- Excellent oral, written, and interpersonal communication with co-workers, clients, and the general public
- OSHA 10, Safeland USA, and CPR/First Aid or ability and willingness to acquire it

Stahl Sheaffer was ranked for the fifth consecutive year in the ENR Mid-Atlantic Top Design Firms list and has been selected as one of Pennsylvania Business Central's Top 100 Organizations for 2023!
