

## ▶ Summer Intern – Transportation

Stahl Sheaffer is currently seeking to hire a **Summer Intern** to join our Transportation Team at our Canonsburg or State College, Pennsylvania office locations.

### Transportation Summer Intern Responsibilities:

- Completing general transportation support services, which may include:
  - Performing drafting of construction documents
  - Completing or checking design computations
  - Assisting in activities outside of the office such as inspection and completing technical testing
  - Assisting in the completion of reports, studies, and permitting

### Transportation Summer Intern Required Skills & Experience:

- Candidates who have completed their third year in the transportation engineering program will be given first consideration for the position; candidates who are in their second year in the transportation engineering program may also be considered
- Excellent oral, written, and interpersonal communication skills

### Minimum Requirements for the Transportation Summer Intern Position:

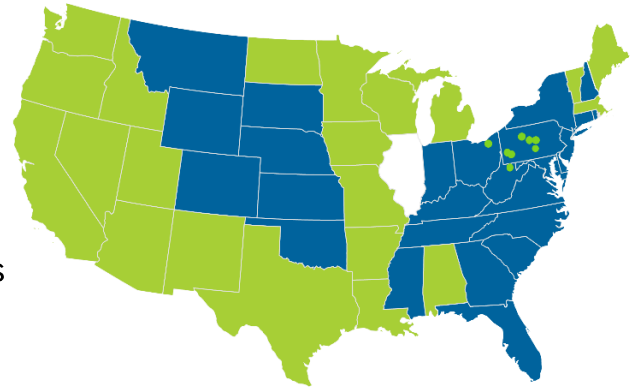

- Must be a current engineering student in civil engineering or a related field of study
- The ability to start employment at the candidate's earliest convenience following the Spring 2022 semester
- The ability to work at our Canonsburg or State College office between the hours of 8 am – 5 pm Monday through Friday
- A valid driver's license and daily access to a motor vehicle (*preferred*)
